

In-person worship plan - Updated April 13, 2021

Moving forward, we will have **one in-person, blended service at 10:00am**. The service will continue to be livestreamed on Facebook Live as well. The in-person service will be limited to 100 people for now, and we will have overflow space available if that number is exceeded.

Through the end of April, that service will take place in the sanctuary with overflow in the gym.

Beginning Sunday, May 2, we will alternate between the Sanctuary with the traditional worship leaders and the Gym with the Koinonia worship leaders. The first and third Sundays will be in the Sanctuary and the second and fourth will be in the Gym. Both rooms will continue to have a capacity limit of 100 persons on a first-come, first-served basis with overflow being offered every week.

Worshipping together is such an important part of our Christian life. As we continue to evaluate both the situation with Covid and in-person worship attendance, we will make adjustments over the coming weeks. As the overflow worship space becomes consistently used, we will work toward increasing capacity or adding additional services.

The staff would like to thank everyone for their patience and understanding, as we have navigated the challenges of the past year. While we continue to deal with some limitations brought on by the pandemic, the limitless love and hope of Christ is always with us.

With gratitude,
St. Paul Staff
