For All the Saints

Dr. Jim McFarland, Director of Music Ministries & Organist

"For all the saints who've shown your love in how they live and where they move, for mindful women, caring men, accept our gratitude again." (The Faith We Sing Hymnal #2283)

We begin the month of November with a continuation of our "Live Generously-Celebrate" theme from October as we engage in a time of celebration and in thanksgiving for the saints who have gone before us, and the saints who have nurtured and mentored us in the faith. We give thanks for the many bountiful gifts we have received from the Lord, our lives, our families, and our church. We are grateful that we have homes in which to live and food to nourish our bodies.

The music ministry at St. Paul is blessed with talented people who enhance our worship through their gifts. Our All Saints celebration

will include the Olsen String Quintet and our very own Mark Tate, percussionist. Our Chancel Choir has prepared a selection of beautiful anthems to celebrate the saints.

While we continue our emphasis on gratefulness through November, the music ministry of St. Paul is busy preparing for Advent and Christmas. In addition to our Advent Family Christmas Concert, Advent Lessons & Carols service, and Christmas Eve services, we are busy preparing for the 44th Louisville Boar's Head & Yule Log Festival. This is our gift to the Louisville community. Volunteers have already been busy behind the scenes working to make this year's Festival a success. We will present four performances this year: Friday, December 29, at 5:30 & 8:00pm and Saturday, December 30, at 5:30 & 8:00pm (note the new time for the first performance each evening). We will be hosting a reception in McAdams Hall after each performance where guests can sample wassail and treats,

greet the performers, and have their picture taken with the Boar!

In order to make this Festival a success, we need your help in the following ways: we need you to pray for the Festival and all the preparations, all the volunteers and professionals, and all the musicians who work so hard to make it a beautiful experience. We need you to volunteer to help, either as a part of the cast or behind the scenes. We cannot put the Festival on without plenty of volunteer help. For those of you who have sung in the Choir for the Festival, we invite you back to sing with us. Rehearsals are held on Thursday evenings at 7:00pm throughout the month of December.

This year in particular, we need volunteer help on Tuesday, December 26 to pull the set pieces out of the Family Life Center basement and to construct our set, beginning at 9:00am and continuing until the set is completed. We also need help taking the set down on Sunday, December 31 in the afternoon beginning after worship until the task is completed. Even if you can only come to help for an hour, we need you! It takes an army of volunteers to get our sanctuary ready to put on the Festival. Lastly, we need you to attend the event and bring someone who has never experienced our Festival. See page 10 for ticket information.

I would be remiss if I did not mention that the Festival costs money to produce - money that is not a part of our regular church budget. Many of you gave generously last year, and we appreciate having those funds already on hand. We are always pleased to receive any donation, large or small, so that we can continue to give this gift to the community as we recall and celebrate the birth of our Savior in a grand pageant with both pauper and prince singing carols to the babe who has come to save us all!

Blessings! Jim

Children's Sabbath!

Thank you to all of the St. Paul kids, youth, and adults who made this special day a success! Our Children's Sabbath services were joyful, lighthearted, and encouraging. We were lucky to be led in worship by our Youth Choir, Wesleyan Choir, and Joyful Song Choir - and 18 of our kids read scripture, led prayers, served communion, greeted, and ushered. What a sweet reminder that we are all integral parts of the body of Christ, and that our loving Father always welcomes us with open arms!

Did you have a GOURD time at our un-beLEAFably beautiFALL Festival?

Thank you to everyone who donated costumes and candy, provided a trunk, handed out prizes at our carnival games, served apple cider, cotton candy, and popcorn, and assisted with setup and tear down! This event would not have been possible without your help.

Fall Festival by the numbers:

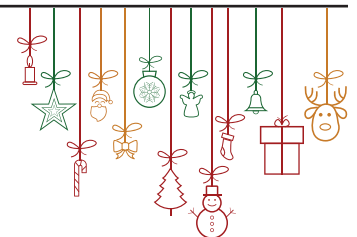

- 103 servings of cotton candy
- 27 flyers passed out to families who don't attend St. Paul
- 12 Halloween costumes provided for free to our community
- 1 Tyrannosaurus Rex in attendance
- 21 trunks decorated by our generous volunteers
- 3520+ pieces of candy given out

Breakfast with Santa - Saturday, December 9th, 9-11am Help us stock the Holiday Shop!

Get ready to spread Christmas cheer as our kids enjoy breakfast with Santa Claus! Please invite any kids who would enjoy a morning of pajamas, pancakes, and holiday magic! This year, we are asking our church family to donate small gifts for us to sell in the Holiday Shop. Kids will be able to shop for their family and friends at affordable prices: nothing over \$5! Proceeds will go to the St. Paul Resource Center Fund. Please consider donating small homemade or store-bought items by dropping them in the designated collection bins in the lobby!

Waller-Williams Christmas Stockings

The Waller-Williams Environmental School is a public school for students in grades K-12 with severe emotional or behavioral special needs. Many of these kids have experienced trauma and

need a lot of love, and St. Paul is honored to have the opportunity to share our love and compassion with these kids each year. We've just completed our Thanksgiving Box project for Waller-Williams, and now we turn to Christmas!

Last year's Christmas stockings were a huge hit with the students at Waller-Williams, as you can see from some of the quotes and photos on this page! So St. Paul is going to offer some Christmas cheer again this year!

"The whole thing was amazing!"

Please choose a stocking from the bulletin board outside McAdams Hall or in the gym, buy a Christmas stocking, fill it with goodies, label it with the Student Number (so we can get it to the right kid), then drop it off at St. Paul by Monday, December 11!

You can stop by during office hours (Monday-Thursday, 10am-2pm) or bring it on Sunday morning. If you need us to pick up your stocking, email sara@stpaulchurchky.org.

If you are not able to do the shopping yourself, you may choose a child and donate money, and we'll shop for you! You can write a check or donate online at the secure church website Giving page, and put the Student Number in the notes so we shop for the right student.

"I loved the earbuds I got from my stocking!"

Please use the child's list of "favorites" to guide you in selecting items for the stocking. You are not

expected to buy all the things the child has listed; that's just a guide to give you some hints about the types of things that would put a smile on their face when they receive the stocking!

We don't expect anyone to spend more than \$25 on a stocking. We would love for each stocking to be filled to the brim, so if you buy gift cards, please add some candy or other small goodies to fill it up! If the items you buy are too large for a stocking, put them in a gift bag, along with a stocking filled with candy! Thank you for your generosity in making Christmas special for the kids at the Waller-Williams school!

"I loved the candy in my stocking, especially the big KitKats!"

Thanksgiving Box Thanks!

Thank you to everyone who donated food, volunteered, or participated in our Waller-Williams Thanksgiving Box event! The boxes have been delivered to the school, and we hope to have photos of the families receiving their boxes next month. It cannot be overstated how much your generosity is appreciated by the school staff and the families.

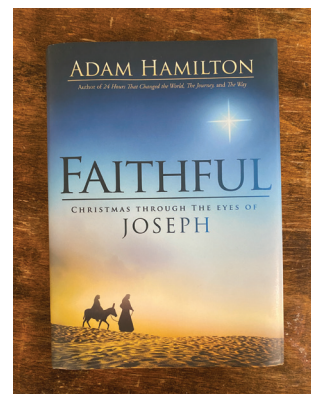

Discipleship and Spiritual Formation

Aldersgate Advent Study

VISION GOAL: College Student and Young Adults Ministry

by Ann Jirkovsky

"Therefore encourage one another and build each other up, just as in fact you are doing."
- 1 Thessalonians 5:11

College Student Ministry: The focus of college student ministry is to support our graduates and help them stay connected to St. Paul through prayer, outreach, and opportunities for fellowship.

Prayer ministry is a way that our congregation can encourage and support our college students. Please continue to keep our college students in your prayers and to include specific requests for individual students on the prayer chain.

A second way that we are supporting our college students is through outreach, sending them encouraging notes, gift cards, and care packages.

The Discipleship Committee and the Youth, with Janet and Billy Sewell's leadership, have been coordinating these efforts. Gift bags to help with end-of-semester stress will be available at the 9:00am and 11:00am services on Sunday,

November 19. College students in attendance that day or their family members are encouraged to pick one up.

The third way to encourage our college students to stay connected to St. Paul is through opportunities for fellowship during school breaks. We hope that college students will join us for worship and for the Boar's Head & Yule Log Festival on December 29 and 30 so that they can reconnect with each other and their friends at St. Paul.

Young Adults Ministry: Young adults at St. Paul are participating in family ministry, music ministry, Sunday school classes, and worship. If you are interested in starting a young adult ministry group or have ideas for activities that the Vision Team can support, please contact me.

For questions or comments regarding this goal, please reach out to Ann Jirkovsky at ajirkovsky@bellarmine.edu.

LOUISVILLE
Boar's Head & Yule Log
FESTIVAL

2023 St. Paul Boar's Head & Yule Log Festival Planning Underway
Be a Part of this Gift to Our Community

This year marks the 44th Anniversary of the St. Paul UMC Boar's Head and Yule Log Festival, an event that brings visitors from Louisville and all over the region to share in a unique depiction of the gift of Christ to the world.

The Festival performance was created by a core group of visionary individuals and has continued with the leadership and commitment of a number of long-time St. Paul members and volunteers. Many have appeared on stage and worked behind the scenes over the years as the Festival has grown.

Four performances will be offered: two shows each day - Friday, December 29 and Saturday, December 30 at 5:30 and 8:00pm. A reception will follow each performance.

The Festival is a wonderful opportunity to showcase St. Paul's youth and children. Even college-age young people look forward to participating in the Festival as part of their holiday plans.

Altogether, approximately 75 volunteers serve in various roles and have a wonderful time of fellowship in rehearsals and shows.

See below for additional details.

Last year, we made some significant changes in the performance schedule and replaced the dinner with a reception that includes visits from the cast and photos

with the Boar! The change was a success and will be continued this season.

Hymn of the Month for November: *In the Lord I'll Be Ever Thankful*

by Dr. Lori Elbert, Director of Koinonia Worship

"Speaking to one another with psalms, hymns, and songs from the Spirit. Sing and make music from your heart to the Lord, always giving thanks to God the Father for everything, in the name of our Lord Jesus Christ."

- Ephesians 5:19-20 (NIV)

*In the Lord I'll be ever thankful,
in the Lord I will rejoice!
Look to God, do not be afraid.
Lift up your voices, the Lord is near,
lift up your voices, the Lord is near.*

[Words and Music Jacques Berthier ©1991 Les Presses de Taizé]
(*The Faith We Sing* #2195)

This short hymn is from the Taizé community in France. This ecumenical monastery has become a place of pilgrimage for many young people since the 1960s. Short worship songs like the one above are used in meditation and worship. This particular song is so appropriate for the month of November as we look toward Thanksgiving, being grateful for all God has done in our lives and our world. Take time this month to learn and meditate on this simple song as we focus on our gratefulness to God.

Thank you!

As October is Breast Cancer Awareness month, I wanted to again thank my church family for all of the support over this past year. All of the prayers, cards, and texts have been like a blanket surrounding me with comfort. Although my journey is not over, I continue to get good reports from my amazing medical teams. My family and I are so grateful for all of you and the resources I have been given. Please continue to lift me up in prayer.

Many blessings,
Penny Riddle
