

**The Crayon Project is a five-week sermon series about the beautiful work of grace in and through our lives. Each week, we will explore how God's grace gathers up the broken pieces, reshapes them through the seasons of waiting and change, forming us into a community sent out to love.**

As part of the series, you are invited to bring in old, broken, or discarded crayons. These small fragments will become a visible sign of what grace can do. What seems worn out, finished or no longer useful can be made new.

Then, on June 21, we will give you something created from your crayons - something you can use to reach out and offer a word of encouragement to someone else.

Grace does not waste any of our experiences. Grace gathers them and remakes them into something full of possibility and blessing.

**Series Schedule:**

May 24: Gather the Fragments (John 6:1-13)

May 31: Reworking (Jeremiah 18:1-6)

June 7: The Holy Stillness (Lamentations 3:25-26)

June 14: Many Parts, Made One (1 Corinthians 12:12-27)

June 21: Redeemed & Sent to Love (John 21:15-19)
